SEVEN CORNERS

why choose seven corners

why you need this program

The United States offers the most comprehensive medical care available, but it is often complicated as well as very expensive. For a visitor to the United States or a recent immigrant, finding an insurance program that is easy to understand and reasonably priced is often difficult.

As a solution, Inbound Immigrant was developed to provide a simple program to visitors and immigrants that will provide up to 5 years of protection.

This is a brief description of the Inbound Immigrant program. Detailed wording is outlined in the Program Summary, which will be mailed to you after you have enrolled.

eligibility

This program is available to non-United States citizens who are traveling to the United States for business, pleasure, to study, or to immigrate. The program must become effective within 24 months of arrival in the United States.

home country

Home Country means the country where the Insured Person's passport was issued.

period of coverage

You may initially enroll in Inbound Immigrant for as little as 5 days and up to maximum of 12 months. If you initially purchase at least 3 months, you may continue to renew coverage for a minimum of 3 months at a time, at the premium rate in force at the time of renewal. Total period of coverage for Inbound Immigrant cannot exceed 60 months (in order to reapply, you must first return to your home country for a minimum of 31 days). Please note: Once you reapply for a new policy, the pre-existing condition(s) look back starts over.

effective date

Your coverage will begin on the latest of the following:

1. Your departure from your Home Country; or
2. The date your Application and premium are received by Seven Corners; or
3. The date your Application and premium are accepted by Seven Corners; or
4. The date you request on the Application.

description of coverage

period of coverage (cont.)

expiration date:

Your coverage will end on the earlier of the following:

1. The date shown on the Insurance Confirmation Card, for which premium has been paid; or
2. The 31st day of any Insured Person's return trip to his or her Home Country whether days of the trip are consecutive or not; or
3. 60 months after your original Effective Date; or
4. The day an insured becomes a U.S. citizen; or
5. The date of entry into active military service.

Upon each renewal, rates, benefits, and program in general are subject to change.

renewal

If Inbound Immigrant is initially purchased for at least three months, one month before the expiration date, Seven Corners will send a renewal notice to the Address of Correspondence listed on the application. If you renew the coverage for 3 or more months (*up to 12 months at a time*), Seven Corners will continue to send renewal notices to you. If you renew the coverage for only 1 or 2 months, Seven Corners will assume that you no longer require the coverage and will not send another renewal notice.

If you initially apply online, you will have the option to renew in whatever increment you choose (*Minimum 5 day purchase*). There is a \$5 admin fee each time you renew. Again, total period of coverage for Inbound Immigrant cannot exceed 60 months. Additionally, the company may change aspects of the program, including rates, at any renewal date.

schedule of benefits

If your covered Injury or Sickness requires treatment by a physician, this program will provide benefits for the Usual and Customary (U&C) charges scheduled below which exceed the chosen Per Person Deductible (*either \$75 or \$150, and \$125 or \$250 deductible for age 70 and over*) for each Injury and each Sickness and which are incurred within the 52 weeks following the Injury or Sickness (*within 32 weeks for those insureds age 70 and over*). Payment for any covered service will be no more than the Benefit Limit shown in the Schedule of Benefits. The total amount payable for all Benefits will be no more than \$50,000 or \$100,000 for each Injury and each Sickness.

For persons age 70 and over, the maximum benefit limit is \$50,000. The period in which covered expenses must be incurred is 32 weeks following the Injury or Sickness, and a separate schedule applies.

All arrangements must be coordinated by the Assistance Provider.
